Dear Parents

This week the children have enjoyed the Forest School sessions with the Brayford children where they have completed fire based activities such as making charcoal and charcloth, cooking cakes in oranges and smores as well as learning how to use the fire flints to build five minute fires. The children have been able to learn new skills as well as making friends, team work and cooperation with a different group of children.

Mrs Langdon would like to invite the **year six children and**

parents to an after school SATs information meeting on **Thursday 28th February** from **3.30pm to approximately 4.30pm**. At the meeting, Mrs

Langdon will go through the date of SATs week and the timetable of the tests. She will also explain the tests in detail in Maths and English, show you examples of the test papers and explain how the results will be reported to parents in July. Mrs Langdon will also give ideas of how to support your child at home to prepare for the tests and of course give you the opportunity to ask any questions you may have.

Your child's half term report was sent home yesterday. If you have any questions or want to talk about your child's learning then please do not hesitate to speak to their class teacher.

Additionally, we would like to invite you to Parent Evenings on Wednesday 6th and Thursday 7th March to discuss your child's progress in detail with their teacher. Please return the slip, which was sent home yesterday, by Wednesday 27th February so we can allocate you a time.

Best wishes

On Thursday 7th March Mr Hick from Pilton Bluecoat and Mr Barber from Pilton Community College will be holding an online Safety evening for parents at Pilton Bluecoat Academy. There will be a discussion about online dangers

and tips and ideas on how parents can protect their children. Parents are also invited to bring along their lap tops and iphones etc if they wish - Mr Barber will discuss filtering and blocking sites and apps that you can use to monitor your child. This will be really informative and useful evening especially for the parents of older children soon to be transitioning to secondary schools. The timing of the meeting is to be confirmed.
