Dear Parents

Emily and Erin, our Digital Champions, have been working really hard with Mrs Davies and the rest of the Digital Champions from Pilton and Brayford, preparing a play which will be performed to the junior aged children from all the schools in the Trust at the end of this term. The play forms part of the Digital Champions role of helping children understand about staying safe whilst using the internet and playing online games. The Digital Champions will tour to the different schools in the Trust with the play which has a powerful message about keeping safe.

The children really enjoyed their **Science Week** last week and I would like to thank those parents who were able to join us on Friday afternoon. It was great to have children, parents and teachers working together to promote science learning.

Together Each Achieves More

We are delighted to welcome Mrs Scott to our team. Mrs Scott will be running the Breakfast club starting on Monday. If you would like your child to come to breakfast club, on any day of the week, then please fill out the form at the end of the newsletter.

Best wishes

Corrinne Smith
