Dear Parents/Carers,

What a glorious final week at school this half term. The sunshine has enabled us to participate in lots of outdoor activities, rounders and rugby festivals to name a few! This has reminded me to prompt you that hats and suntan lotion need to be in school each day and lotion applied in the morning before school. We hope that this wonderful weather continues into our half term break next week.

As you are aware, our year 6 children sat their end of key stage 2 tests last week. We were extremely proud of the effort every child showed during the tests and the lead up to the week. I would like to thank the adults that have supported the children every step of the way.

It does not go unnoticed in this school, how the children show compassion, care, resilience and kindness - which cannot be measured by statutory testing. These qualities will be the ones that stand our children in good stead as they look forward to the transition into their

secondary education and beyond.

We have been in touch with our intrepid explorers out in Uganda. Children and adults here in school are looking forward to hearing about their work with our partner school Green Valley Hills Primary and their experiences; it should really help bring our children's global learning to life!

All that remains is to wish you all a safe and sunny half term; we shall see you back on **TUESDAY 4th JUNE**.

Best wishes
Mrs Dadswell

Tip 7: DO YOU KNOW WHAT YOUR PERSONAL INFORMATION IS?

Your child may already know what their personal information is but they might not think about how it can be shared. Have a conversation about what personal information is and how this can affect them if it is shared beyond the intended recipient. It is important that your child understands the dangers of sharing contact details or photos, as information such as this can spread quickly online.
