

Home Learning: Class 4: Week Commencing 29th June

Please email completed work, pictures, photos or other examples of Home Learning to:

Class4@witheridge.devon.sch.uk

Should you have any questions, or need any further support, please don't hesitate to ask!

You can also find more details on this week's tasks on this video:

<https://youtu.be/DLvvU2KC7CU>

Thanks.

Mrs Nott

English:

Task	✓
1. Find the 'Dame Kelly Holmes' document on the Home Learning area. Read the information and answer the questions in your book. I have also included the answers here so you can check how you've got on. Remember, it will help your learning best if you have a go by yourself first, then check to see if you are correct!	
2. Use all of the information you have found about Dame Kelly Holmes to create a fact file on this Olympic Champion. You can use the Olympic Champion Fact File sheet if you like, or choose a different way to present the information if you prefer. You may also want to watch this short video of Kelly in action: https://www.youtube.com/watch?v=pfUkaWH1Dno 	

3. Imagine you are Dame Kelly Holmes at the 2004 Olympics in Athens. Watch this video of Kelly winning her gold medal in the 1500m.

<https://www.youtube.com/watch?v=lwZRnLfpbGs>

Write a diary for your time in Athens, as if you are Kelly Holmes. You should include entries for several different days. You may want to include:

- a) travelling to Athens and visiting the stadium for the first time
- b) the Opening Ceremony
- c) winning the 800m gold
- d) winning the 1500m gold
- e) returning home as a sports hero

4. Visit the BBC Daily Lessons website at:

<https://www.bbc.co.uk/bitesize/articles/zdy8qnb>

This will take you to an interactive lesson about using commas. You can then find and complete the 'commas for clarity' worksheet on the Home Learning area.

5. Choose 10 words which you find tricky from the 'Year 5 and 6 Statutory Word List' and write them in different shapes to help you to learn them. There are some examples below for the word 'yacht':

Pyramid words:

y
ya
yac
yach
yacht

Square words:

y a c h t
a h
c c
h a
t h c a y

Backwards/forwards words:

t h c a y
y a c h t
t h c a y
y a c h t
t h c a y

At the end of the week, test yourself to see if you can now spell these words correctly. If you can, tick them off on your Y5/6 Statutory Word Checklist. Well done!

6. Read your book every day! Don't forget, there are over 40,000 books to choose from on Epic!

Maths:

Task	✓
Visit https://whiterosemaths.com/homelearning/year-6/	
	
Go to Year 6, Week 10.	
This will take you to a series of lessons to further develop your understanding of ratio. The accompanying worksheets and answer sheets can be found on the Home Learning area. Complete as many of the sessions as you can this week. For the remainder of this half term, we will largely be following the White Rose programme to support our Home Learning in maths.	
1. Lesson 1 - Introducing the ratio symbol	
2. Lesson 2 - Calculating Ratio	
3. Lesson 3 - Using Scale Factors	
4. Lesson 4 - Ratio and Proportion Problems	
5. Log on to Mathletics and TT Rockstars to complete the activities and practise your multiplication skills.	

Other Tasks to Complete

Science	√
<p>Go to the Oak National Academy Year 6 classroom here: https://classroom.thenationalacademy/subjects-by-year/year-6/subjects/foundation Scroll down to the bottom, until you find the science unit on Physical and Chemical Changes. This week, you should aim to complete Lesson 4, called 'Separating mixtures with sieving, filtration and evaporation'.</p>	
Computing	√
<p>Visit https://studio.code.org/flappy/1 This will take you to a page where you build your own game using code.</p>  <p>If you fancy a bit more of a challenge, you can continue following the coding programme at: https://www.khanacademy.org/computing/computer-programming</p>	
Topic	√
<p><u>Olympic Country Project: Week 1</u></p> <p>Over the next few weeks, I would like you to choose an Olympic country to study in depth. You may choose any country from the 'Olympic Country Checklist' on the Home Learning area. This week, you need to find out some basic information on your country by completing the Country Research Activity sheet, which you can find on the Home Learning area. You will also need to start thinking about what the focus of your country project might be. Some ideas are:</p> <ul style="list-style-type: none">• Geographical features - rivers, mountains, deserts etc• Wildlife in your country• Famous cities and landmarks• Celebrations and festivals• Transport• Famous people - both past and present• Significant historical events• Or your own idea ☺ <p>You may choose to combine several of the elements above to make a mega-project on your country! Remember, this is a project which will last you for several weeks, so you have lots of time to develop it into a piece of work you're really proud of.</p>	
<p>Email me your completed work at class4@witheridge.devon.sch.uk</p>
