

## Home Learning: Class 4: Week Commencing 18<sup>th</sup> January

### Class Video:

Every Monday, please find and watch the Class Video, explaining this week's tasks. Video links will be posted on the school website, on the Google Classroom Stream and in the Google Classroom Assignment Instructions.

### English:

We will be streaming live lessons to support our learning in English. These will take place via Google Meet, on Tuesday - Friday at 9am. Look out for meeting invitations via email and in the Google Classroom Stream! The tasks to complete are detailed below:

### Maths:

We will be using White Rose resources to support our learning in maths. For each session, there will be a video, and a worksheet to complete. Remember to pause and re-watch the video as many times as you need to so that you understand what you need to do.

If you are able to print the worksheet, use the 'write on' version - this has WO in the file name, If you are not able to print, use the display version (the file name has a D in it) to look at on the screen, then record your answers on a separate sheet.

The video links to each session can be found below. The worksheets are attached to the assignment in Google Classroom.

### Monday:

English	✓
Find the 'Riddles' document. Riddles are ancient word games that make use of double meanings, word play and metaphors. Most riddles ask questions that require the reader to solve them. Riddles were popular during Tudor times for entertainment and courting purposes. There are 8 riddles here. Can you solve them all? Record your answers, and then 'turn in'. We'll discuss the solutions in Tuesday's Live Lesson!	
Maths	
Fractions to decimals (1) <a href="https://vimeo.com/491237616">https://vimeo.com/491237616</a>	
Science	
Go to the Oak National Academy Year 6 classroom here: <a href="https://classroom.thenationalacademy/units/history-of-science-cfd6">https://classroom.thenationalacademy/units/history-of-science-cfd6</a> This half term, we will be learning about the history of science. Our third session is called 'How has the human use of materials changed over time?' There is a video to watch, and some activities for you to complete. Record your answers in a Google Doc, then 'turn in' with your completed homework tasks.	
Read your book and complete a reading activity log.	

Tuesday:

English	✓
Imagine that you are to attend a banquet at his Royal Highness King Henry VIII's request. To please the king, all guests should prepare a riddle that can be performed to the King and his dinner guests. Your task is to create a riddle that would please King Henry VIII. We will discuss techniques for riddle writing in Tuesday's Live Lesson. Your riddle contain at least three clues.	
Maths	
Fractions to Decimals (2) <a href="https://vimeo.com/491970120">https://vimeo.com/491970120</a>	
Music	
Find 'Djembe Lesson 2' presentation. Read the information and follow the links for a great introduction to Djembe drumming!	
Read your book and complete a reading activity log.	

Wednesday:

English	✓
Using the techniques which we have used to write a riddle about a Tudor object, your task for today is to create a modern riddle about an object which would not have existed in Tudor times. Remember to include at least three clues (and 'turn in' your solution, too)! We'll try to solve each other's riddles at tomorrow's Live Lesson!	
Maths	
Fractions to percentages <a href="https://vimeo.com/492449530">https://vimeo.com/492449530</a>

Watch 'Play, Like, Share' Episode 1 video lesson here: <a href="https://player.vimeo.com/video/498268219">https://player.vimeo.com/video/498268219</a> Then find the 'Play, Like, Share: Episode 1 Booklet'. Complete the activities in the booklet, either by printing it off, or by recording your answers on paper or on a Google Doc to 'turn in'.	
Read your book and complete a reading activity log.	

Thursday:

English	✓
Find the 'Decision Spelling /shus/ Words 1' document. Task 1: Design a poster to explain the /shus/ rules on slide 2. Give examples of words for each rule. Task 2: Word sort. Look at the words on slide 1. Choose 3 different ways to sort them. For ideas, look on Slide 3 (or choose your own rule). Each time you sort the words, record them in their groups, explaining the rule you have chosen. Take care to spell the words accurately!	
Maths	
Equivalent Fractions, Decimals and Percentages (FDP) <a href="https://vimeo.com/492474663">https://vimeo.com/492474663</a>	
Topic	
Henry VIII had numerous homes. He was born in Greenwich, but he also lived in the Tower of London, Windsor Castle, St James' Palace, Westminster Palace, Eltham Palace and Hampton Court Palace. Find the 'Homes of Henry VIII' document. Use the internet to find the location of each of Henry's homes, then add an arrow and a text box to the presentation to show this location on the map.	
Read your book and complete a reading activity log.	

Friday:
